painting, very tiny things)

Miniature Painting  
Seaming/Silicone Painting  
Flocking  
Illustration  
Costume Design  
Foam Core Signs/ Mock Ups  
Vacu-Forming  
Props/Miniatures

## EXPERIENCE

11/2013 to Current

### **Casting/Molding/Finishing**

**Fathom** - Oakland, CA

Working with clients (Goldie Blox, Green Toys, Pepsi co, Clorox, Nike, Life Factory, Channel, Monster) to create prototypes. Cleaning up 3d prints for molding as well as finishing parts for presentation. Mold making (silicone, resin), casting (resin, silicone, rubber.)

07/2012 to Current

### **Founder. Designer**

**Rawrstoys** - Oakland, CA

Created a line of toys, the toys are modeled in maya, printed on a 3d printer and cleaned up. I then make gang molds of the toys to create multiple at once, and cast resin duplicates. Each toy is then spray painted and hand painted with love.

04/2013 to 11/2013

### **Puppet Supervisor**

**Athena Studios** - Emeryville, CA

From concept to finish puppet, built character "Sophie" for a pitch package for the film "Auntie Claus" Finishing 3d prints, mold making, casting, hands, costume design, costume fabrication, painting, silicone painting, coordination, injecting wax eyelids.

10/2012 to 6/2013

### **Puppet Maker**

**Phil Tippett's Mad God**- Created puppets for the feature film "Mad God." I created a mold, cast, clip foamed, mixed silicone colors, and seamed the film's "Beaky Guy" puppet. Cast foam latex, armature prep, and seaming for 2 puppets in "Mad God Part 2"

03/2011 to 10/2012

### **Puppet Fabrication/ Hand Lead**

**Cinderbiter/Disney** - San Francisco, CA

Managed a team of 3, Designed hands, from Armature to finished hand. Seaming, casting, mold making, armature, silicone painting, 3d finishing.

04/2006 to 02/2011

### **Store Artist**

**Trader Joe's** - Royal Oak, MI

Created store artwork from murals to shelf tags. Created large foam core displays, and painted "chalkboard" endcaps.

06/2010 to 11/2010

### **Puppet Fabrication**

**Laika House** - Portland, OR

Created puppets for "Harold and Kumar 3". and Planter's Peanuts Commercials Casting, seaming, (foam latex, silicone, resin) silicone painting, armature (wiring hands), mold making (stone, resin)

01/2007 to 09/2008

### **Puppet Fabricator/ Hand Lead**

**Laika Entertainment** - Oakland, OR

Created puppet parts for the feature film "Coraline." Managed a team of 5, casting, seaming (foam latex, silicone, resin) silicone painting, puppet maintenance, armature, vacu-formed characters eyelids.
